MEMORANDUM FOR: Director, Office of Logistics

FROM: : Charles A. Briggs
Director, Office of Legislative Liaison

SUBJECT: Car Drivers

Hawk:

STAT

1. This is to thank you for your support of our requirements for two full-time drivers. As [redacted] explained to [redacted] our requirements are basically controlled by the Members and Committees of Congress, and we absolutely need to meet those demands with a minimum loss of analyst and case officer time. Consequently, immediate, on-call transportation by two professional drivers is a necessity.

STAT

2. As you know, we are acquiring one driver position in FY 1986. I fully intend to seek a second position for the second driver we require at the earliest opportunity. In the meantime, we are dependent on, and extremely grateful for the support you are providing from the Motor Pool.
